● **Social Action Summer Institute**

The national Roundtable Association of Catholic Diocese Social Action Directors is holding its annual Social Action Summer Institute in Salt Lake City July 25-28, and all Utah Catholics are invited! SASI offers first-time attendees grounding in Catholic social teaching, Biblical theology and the spirituality of social justice. SASI is planned jointly with the U.S. Conference of Catholic Bishops, Catholic Relief Services and Catholic Charities USA. The 2019 conference will focus on giving voice and fostering systemic change for people experiencing homelessness or statelessness, while we also help each other feel at home again in our church. Social justice ministry is dedicated to serving individuals on the margins of society. Housing affordability, health care access, racial injustice serve as some of the many barriers to resolving homelessness. For immigrants and refugees, increasingly unwelcoming policies and attitudes are leaving many with no place to call home. Meanwhile, Catholics are struggling with continuing revelations about the sexual abuse crisis. SASI 2019 will look at these critical issues as we each seek to live our faith and shelter the homeless. Please share the flyer and look for the full schedule and registration information this April.

Office of Save Environment

● **For Bulletin 4/13 & 4/14**

As we continue to recognize **April as National Child Abuse Prevention Month**, let us continue to protect our children and youth all year long. It's important to get involved. Did you know, parents and guardians play a key role in the success of parish programs for children and youth? Parents and guardians who are involved in parish programs and events will be in the best position to protect their own children as well as all the children in the parish community. Involvement and communication are important factors in helping to ensure safe environments for all of our children and youth.

● **For Bulletins 4/20 & 4/21**

April is National Child Abuse Prevention Month, a time to acknowledge the importance of families and communities working together to prevent child abuse and neglect and to promote the social and emotional well-being of children and families. Together, we can make the Church

a safer place for children. Did you know the Office of Safe Environment offers a training for children? The program entitled *Circle of Grace* teaches children to identify trusted adults, allowing only those they trust to enter into their *Circle of Grace*.

● **For Bulletin 4/27 & 4/28**

The observation of **National Child Abuse Prevention Month** may be concluding, but it is vitally important that we are constantly vigilant – that we always observe the behaviors of those who interact with children. Parents must listen carefully to their children and observe both their children’s activities and the behavior of older children and adults who interact with them. Being aware of what is happening with our children means talking to, listening to, and observing them – at every opportunity.

SUGGESTED PRAYERS OF INTENTION FOR THE MONTH OF APRIL

We pray that God may grant those affected by abuse in any way the courage to tell their story and seek healing; that they may see a just and adequate response to the abuse they have experienced; and that they may encounter the presence of Christ in their dark moments as they deal with their trauma. We pray to the Lord...

We pray that all Catholics who are scandalized, and reconsidering their affiliation with the Church, will remain rooted in Christ and advocate for justice for the survivors of abuse. We pray to the Lord...

We pray for those with disabilities, that by our witness to God’s love and through our service to his people, we may use our gifts to help bring about the kingdom of mercy and justice. We pray to the Lord...

We pray for nations and government leaders, that they may be effective in achieving peace and defending the rights of all, especially children and the most vulnerable. We pray to the Lord...

We pray that bishops, church leaders, and the faithful will promote justice and healing for victims and survivors of abuse; that those who commit sexual abuse and abuse their power will be held accountable; and that we will commit to protect the most vulnerable in our communities. We pray to the Lord...

We pray for the pope and for the college of bishops around the world, at this time of crisis and conversion, that they may lead the church to a deeper faith in God and a stronger love of others. We pray to the Lord...

● **Friday, April 5 (Call to Prayer)** Please take a moment to pray for the healing of those affected by child abuse and pray for the prevention of abuse:

Dear Lord, We ask You to bless us “Your holy people” who have gathered to learn new ways to help stop child sexual abuse. Open our hearts to Your call to be the “eyes, ears and voice of children and young people everywhere.” Give us the vision and grace we need to fulfill the special “commitments” that each of us has made to “Protecting All God’s Children” in our homes, churches, schools and communities. Amen.

● **Tuesday, April 9 at 2 p.m. (MST) Rosary for Healing and Protection**

Together, we can ensure that all are safe from sexual abuse and provide assistance and support to survivors who are on the path to healing. You can help in these efforts by offering your prayers for healing and protection. This rosary will help you to lift up their needs in prayer, offering them to God through Mary who offers her loving protection to all her children. Pray a rosary

to Our Lady with special intentions for victims/survivors of abuse and the defense of the vulnerable. A rosary prayed in the USCCB Chapel will be streamed live on the USCCB **Facebook** and **Twitter** page. For access to the Rosary Booklet please select the following link: <http://www.usccb.org/issues-and-action/child-and-youth-protection/upload/Rosary-for-Healing-2.pdf>
