The Catholic Diocese of Salt Lake City has 5 deaneries. Under Canon Law, the bishop has the ability to group parishes into regional areas within a diocese, according to their geographic location. These regions are called deaneries. Deans are priests who act as the overseer of a deanery appointed to them by the bishop. Deaneries are named simply by a geographic designation and we have the following deaneries: Eastern, Northern, Salt Lake, Southwest and Wasatch.

Our five deaneries are listed below along with their respective parishes, missions and stations.
