A MESSAGE FROM YOUR BISHOP

Oscar A. Solis, DD

Dear brothers and sisters in Christ,

In harmony with the directives of the United States Conference of Catholic Bishops, I wish to express my solidarity with you during these moments of uncertainty. As your diocesan Bishop, I want you to know that my presence, along with that of all the members of the clergy, remains constant and active.

Immigration reform in the United States must be carried out in a proportional and humane manner, ensuring respect for human dignity in all due legal processes. Likewise, individuals who have obtained permanent residency should find a pathway to citizenship. Family unity must be the cornerstone of any system and reform, and all immigration procedures must be reliable and efficient. Finally, the root causes of immigration must be carefully studied.

During these moments, as your diocesan Bishop and in unity with my diocesan family, I remain attentive and prepared to support you in all your efforts.

Yours in Christ,

Most Reverend Oscar A. Solis, DD
Bishop of Salt Lake City

"We are in firm solidarity with our brother and sister immigrants"

WASHINGTON – “Together, we must speak out on behalf of the ‘huddled masses yearning to breathe free’ and ask our government to provide fair and humane treatment for our beloved immigrant brothers and sisters.” In solidarity with immigrants, Most Rev. Timothy P. Broglio of the Archdiocese for the Military Services, USA, and president of the U.S. Conference of Catholic Bishops (USCCB), Bishop Mark J. Seitz of El Paso and chairman of the USCCB’s Committee on Migration, and Bishop Jaime Soto of Sacramento, chairman of the board for Catholic Legal Immigration Network, Inc. (CLINIC) issued a statement of pastoral concern.

Dear Brothers and Sisters,

Compelled by the Gospel of Jesus Christ and recognizing the inherent dignity of each person as a child of God, we stand in firm solidarity with our immigrant brothers and sisters who live and labor in these United States.

From the founding of our nation, immigrants have been essential to this society’s growth and prosperity. They come to our shores as strangers, drawn by the promises this land offers, and they become Americans. They continue to provide food security, health services, and many other essential skills that support our prosperous nation.

Our country deserves an immigration system that offers fair and generous pathways to full citizenship for immigrants living and working for many years within our borders. We need a system that provides permanent relief for childhood arrivals, helps families stay together, and welcomes refugees.

We hope that our country can develop an effective asylum system for those fleeing persecution and an immigration system that keeps our borders safe and secure, with enforcement policies that focus on those who present risks and dangers to society, particularly efforts to reduce gang activity, stem the flow of drugs, and end human trafficking.

The United States should have an immigration system that protects vulnerable migrants and their families, many of whom have already been victimized by criminal actors.

Together, we must speak out on behalf of the “huddled masses yearning to breathe free” and ask our government to provide fair and humane treatment for our beloved immigrant brothers and sisters. It is our hope, and our prayer, that all of us can work together to support a meaningful reform of our current immigration system.

– **USCCB**

A PRAYER

from Pope Francis

Merciful God,
we pray to you for all the men, women and children
who have died after leaving their homelands in search of a better life.
Though many of their graves bear no name,
to you each one is known, loved and cherished.
May we never forget them, but honor their sacrifice
with deeds more than words.

We entrust to you all those who have made this journey,
enduring fear, uncertainty and humiliation,
in order to reach a place of safety and hope.
Just as you never abandoned your Son
as he was brought to a safe place by Mary and Joseph,
so now be close to these, your sons and daughters,
through our tenderness and protection.
In caring for them may we seek a world
where none are forced to leave their home
and where all can live in freedom, dignity and peace.

Merciful God and Father of all,
wake us from the slumber of indifference,
open our eyes to their suffering,
and free us from the insensitivity
born of worldly comfort and self-centeredness.
Inspire us, as nations, communities and individuals,
to see that those who come to our shores are our brothers and sisters.
May we share with them the blessings we have received from your hand,
and recognize that together, as one human family,
we are all migrants, journeying in hope to you, our true home,
where every tear will be wiped away,
where we will be at peace and safe in your embrace.
