OFFICE OF THE BISHOP

September 21, 2024

Dear Brothers & Sisters in Christ,

It is with immense joy and heartfelt gratitude that I welcome each of you to the 2024 Utah Catholic Conference. The inspiring theme - "Our Faith Moves Mountains" - marks a significant moment for us as a faith community, and the three pillars call us to educate the community, empower the people and embark on a mission to spread the faith.

Let us remember the power and potential that our faith holds. Just as mountains, steadfast and majestic, stand as symbols of strength and endurance, so too does our faith serve as a foundation upon which we build our lives and our communities. It is this faith that propels us forward, guiding our actions and inspiring our hearts to reach new heights in our spiritual journey.

In the spirit of education, we are called to deepen our understanding of our faith and its teachings. Through today's keynotes and workshops, I encourage each of you to open your hearts and minds to the wisdom that will be shared. Let us strive to become well-informed and passionate advocates of our faith, ready to share its beauty and truth in the world.

Empowering the people is at the heart of our work. We are called to lift each other up and recognize the inherent dignity and potential in every person. Through our ministries, outreach programs and personal interactions, we can foster a spirit of inclusivity and support that resonates throughout our community. Let us strive to be sources of encouragement and strength for one another.

Finally, as we embark on our mission to spread the faith, let us do so with fervor and dedication. This conference is not just a moment of reflection and learning, but a launching pad for our efforts to evangelize and bring the Good News to every corner of our diocese and beyond. Let us be witnesses to the love and mercy of Christ, bringing the light of the Gospel to all corners of our world.

Thank you to Peri Flanagan, Director of Faith Formation, Nevah Stevenson, Executive Director of the Catholic Foundation of Utah and Nikki Ward, Associate Superintendent of Catholic Schools, for organizing this event, the diocesan directors for their participation and support, the keynote speakers, Mark Hart, Jon Leonetti and Dr. Jose Antonio Medina, workshop presenters and all in attendance.

May this conference be a time of profound spiritual growth, meaningful connection and joyful celebration of our shared faith. I look forward to journeying with you as we continue to build a community rooted in love, justice and compassion. Thank you for being part of this important journey.

Sincerely in Christ's love,

A handwritten signature in black ink that reads '+ Oscar A. Solis'.

Queridos Hermanos y Hermanas en Cristo

Con inmensa alegría y sincera gratitud les doy la bienvenida a cada uno de ustedes a la Conferencia Católica de Utah 2024. El tema que nos inspira- "Nuestra Fe Mueve Montañas" - marca un momento significativo para nosotros como comunidad de fe, y los tres pilares nos llaman a educar a la comunidad, empoderar a la gente y embarcarnos en una misión para difundir la fe.

Recordemos el poder y el potencial que encierra nuestra fe. Al igual que las montañas, firmes y majestuosas, se erigen como símbolos de fuerza y resistencia, también nuestra fe sirve de cimiento sobre el que construimos nuestras vidas y nuestras comunidades. Es esta fe la que nos impulsa hacia adelante, guiando nuestras acciones e inspirando nuestros corazones para realizar nuestro viaje espiritual.

En el espíritu de la educación, estamos llamados a profundizar en nuestra fe y sus enseñanzas. A través de las presentaciones y los talleres de hoy, los animo a que abran sus corazones y sus mentes a la riqueza que se compartirá. Esforcémonos por convertirnos en defensores bien informados y apasionados de nuestra fe, dispuestos a compartir su belleza y su verdad en el mundo.

La capacitación de las personas es la esencia de nuestro trabajo. Estamos llamados a animarnos unos a otros y a reconocer la dignidad y el potencial inherentes a cada persona. A través de nuestros ministerios, programas de ayuda e interacciones personales, podemos fomentar un espíritu de inclusión y apoyo que resuene en toda nuestra comunidad. Procuremos ser fuentes de fortaleza para los demás.

Por último, al embarcarnos en nuestra misión de difundir la fe, hagámoslo con fervor y dedicación. Esta conferencia no es sólo un momento de reflexión y aprendizaje, sino una plataforma que nos impulsa nuestros esfuerzos por evangelizar y llevar la Buena Nueva a todos los rincones de nuestra diócesis y más allá. Seamos testigos del amor y la misericordia de Cristo, llevando la luz del Evangelio a todos los rincones de nuestro mundo.

Gracias a Peri Flanagan, Directora de Formación en la Fe, Nevah Stevenson, Directora Ejecutiva de la Fundación Católica de Utah y Nikki Ward, Superintendente Asociada de Escuelas Católicas, por organizar este evento, a los directores diocesanos por su participación y apoyo, a los conferencistas principales, Mark Hart, Jon Leonetti y el Dr. José Antonio Medina, a los presentadores de los talleres y a todos los asistentes.

Que esta conferencia sea un tiempo de profundo crecimiento espiritual, de vínculos significativos y de celebración gozosa de nuestra fe compartida. Estoy deseando viajar con vosotros para seguir construyendo una comunidad basada en el amor, la justicia y la compasión. Gracias por formar parte de este importante camino.

Sinceramente de Cristo,

Reverendísimo Oscar A. Solís, D.D.
Obispo de Salt Lake City

Workshops

Session 1: 11:30am-12:30pm

A Mountain of Loss – A Catholic Understanding of Miscarriage, Still Birth and Infant Death: B101

Many couples who suffer miscarriage or stillbirth turn to the Church for help and guidance and many parishes feel unequipped to help provide the spiritual support and accompaniment these couples require. When couples are accompanied by well-trained parish staff that can lovingly guide them and walk with them in their pain and suffering, they will find greater healing and a way to trust in God's will for them and their family.

(Kevin & Kit Cummings - Marriage & Family Life)

Engagement That Leads to Stewardship: B103

This initiative helped bring new energy to new and existing parishioners alike, and caused many to say, "It's all about building up the community of Christ." Attracting them from the perspective that this is an active and fun community that I want to be a part of, then ultimately leads to greater involvement, greater giving, and greater faith formation.

(Elizabeth Kirts - Stewardship)

Fostering Catholic Identity Through PBIS: The Judge Memorial Example: Abstract: C105

This presentation explores how Judge Memorial Catholic High School leveraged the Positive Behavior Interventions and Supports (PBIS) framework, specifically Tier 1 interventions, to reinforce our school's core value of "cura personalis" (care for the whole person). We will share our evidence-based approach to promoting a positive school climate that aligns with Catholic Identity, fostering student growth not just academically, but also spiritually and socially.

(Matthew Douglas & Dr. Kristin Kladis - Youth and Young Adult Ministry)

Introduction to Records Management for Parishes and Schools: C109

Records, as boring as they sound, are vital to the optimal functioning of a parish and school; without records, a parish or school cannot operate and fulfill its mission to transform the world. For example, without good payroll records, a parish or school cannot ensure employees are treated justly or paid on time with the correct amount. A parish or school cannot effectively evangelize to the community if they have no process for documenting their past achievements.

(Michael Courtney - Faith Formation)

Jubileo 25, Un Motivo de Celebración a través de los Tiempos: Faculty Lounge (2nd Floor)

En preparación del Jubileo 25, el Papa Francisco ha pedido a los Católicos que dediquen el año 2024 a la oración. Venga a conocer la historia y la importancia de los jubileos, las enseñanzas del Papa Francisco sobre la oración y las diversas formas de orar, incluyendo la Liturgia de las Horas, la Oración Matutina, los retiros y mucho más.

(Maria-Cruz Gray - Liturgia y Culto, Español)

Kerygma, Christian Anthropology, and Missionary Discipleship: C110

Helping Learners Discover and Share Their Faith: In this session, we will discuss three themes from the Vatican's new Directory for Catechesis that have transformative implications for our parish formation programs. How can rediscovering the kerygma (the core message of the Gospel) help learners see the need in their lives for Christ and the Church? How can a Christian Anthropology (a Catholic view of the human person) help Catholic parishes build a strong sense of identity as Catholic disciples? How does forming missionary disciples prepare those we accompany not only to know their faith, but to live it? We'll explore practical ways to integrate these three themes into parish faith formation.

(Dr. Joseph White - Faith Formation)

Mary Moves Mountains, Connecting with Mary, Our Mother: C111

This workshop will focus on Mary, Our Mother - who she is, what she means for us, and her messages to all the faithful. The introduction to the workshop will focus on Mary and what we know about her from the Bible and the Apostles. Then, we will reflect on Marian Dogma and Marian privileges. Finally, we will look at Marian Apparitions and what her messages have revealed to the faithful. Special emphasis will be on Lourdes, France due to my previous pilgrimage there. Prayer will be interwoven throughout the workshop. **(Kayra Wood – Faith Formation)**

Navigating Serious Illness and the End of Life for Catholics: C112

This talk will describe the state of the culture and healthcare related to serious illness and the end of life. It will review Catholic Church teachings and help apply them to real issues today. Through explaining palliative care and hospice, physician-assisted suicide and euthanasia, and common ethical issues that can come up, this talk will work to correct many common misunderstandings and help empower you to be an advocate for the dignity of vulnerable people around this time of life.

(Dr. Natalie King - Faith Formation, Marriage & Family Life)

Our Catholic Faith: From Spain to Mexico to New Mexico to Utah: C113

When my family moved to Utah in the mid-1950s, they brought with them a strong Catholic faith rooted in a deep commitment to not only the faith but the rituals that accompanied them. I would suggest this faith, brought primarily from Mexico and New Mexico, brought important rituals such as "Las Mananitas," celebrated each year on December 12th, and a profound commitment to the "Las Virgin de Guadalupe". To many of us, our faith was woven into our culture, believing to be a good Catholic, you had to be Mexican and vice versa. Our strong commitment to our faith not only moved mountains but moved governments and played a huge role in exploring the new world to include Utah with the Dominguez/ Escalante expedition.

(Manuel Romero - Faith Formation)

Pilgrimage: The Spiritual & the Practical: C114

This workshop will focus on teaching the history and spirituality of pilgrimage, examples of ancient and modern pilgrimages, and especially how to do pilgrimages in your own local community, including walking/hiking pilgrimages either as an individual or as a community.

(Luke Stager – Faith Formation)

Stewardship in the Classroom: D102

Stewardship is a lifelong journey as we fulfill our call to discipleship. The concepts of Stewardship and discipleship can be awakened in the classroom through curriculum, activities, events, prayer, and more. We will focus mainly on what stewardship is, how we can integrate the message more intentionally into the classroom, and how our school can practice good stewardship through giving, actions, and prayer. We will discuss some ideas for incorporating other concepts of good stewardship, such as stewardship of the environment and community service.

(Toni Benysh & Carlos J. Proaño - Faith Formation, Stewardship)

La Ofrenda, un Acto de Fe Tanto de Ayer como de Hoy: Faculty Lounge (2nd Floor)

Jesús utilizó la ofrenda de la viuda del Evangelio de San Marcos para enseñar a Sus discípulos a dar. Se sentó frente al arca de las ofrendas y observaba cómo muchos ricos echaban grandes sumas de dinero. Entonces llegó una viuda pobre y echó dos moneditas de cobre. La pobre mujer, como viuda, no habría tenido ninguna fuente de ingresos tras la muerte de su marido. Por eso, las dos moneditas de cobre eran todo lo que tenía y, sin embargo, las ofreció a Dios. Ahora, más que nunca, estamos llamados a compartir nuestro tiempo, talento y tesoro con la Iglesia. Ofrecemos cosas a Dios para darle gracias. Dios ama al que da con alegría. -2 Corintios 9:7
